PREAMBLE TO THE 10TH EDITION

We are happy to present before you the 10th edition of the "Directory of Members of Assam Association, Delhi" coinciding with the Bhogali Bihu 2019. It has been four years since the last edition. Since then a lot many address have changed and the number of members have also grown manifold.

Assamese people have become a visible group in the National Capital Region. Their intellect is now well recognized. Bihu and Sattriya are now regular items on the folk and classical menu. Professionally there are few areas where they are overwhelming in number. Healthcare, Media, IT, Hospitality, Oil sectors have major presence from Assam. The socio-economic profile of the population has shifted quite considerably over the years. It won't be a bad idea to do a baseline survey of the Assamese population in Delhi for a future reference.

Unlike other years, the response from the members in updation has been satisfactory. In the digital age it's just a click away. We request you all to inform any change in address, contact number etc. as soon as possible, so that it can be incorporated in the live register maintained by the office.

Wishing you all a very Happy Bhogali Bihu
Directory Committee
